

Julio Rivas

Front End Developer JR

"Dedicated, Responsible, Collaborative, Flexible and Hardworking"
Availability: Full time.

Hello, I am a student looking for a great job opportunity to enter the IT world and achieve exponential growth towards my professional and personal maturity. I have worked as a team in several bootcamps and thanks to perseverance, I have been able to constantly advance in my knowledge as a Front end Developer although my goal is to achieve excellence as a Full Stack Developer.
